5 bedroom end-terraced house for sale

Description

A super stylish home with five bedrooms arranged over three floors in the very popular south Bedford Village of Wixams.

Our clients have upgraded and maintained their home to a very high standard, having replaced the kitchen and bathrooms in the house.

The accommodation is arranged over three floors and offers modern living with versatility.

The ground floor has a generous living room with dual aspects flooding the room with natural light, a cloakroom (WC) and a kitchen dining room with integrated appliances.

The kitchen has recently been refitted and offers a perfect space to eat and entertain family/friends with french doors opening onto the rear garden.

On the first floor, there are three bedrooms. The master bedroom has the benefit of dual aspects, built-in wardrobes and a luxurious en suite which has recently been replaced. The other two bedrooms are a decent size, bedrooms four and five.

The second floor has two double bedrooms, bedroom two to the rear has a large bank of built-in mirrored wardrobes, and both bedrooms are served by a family bathroom that has been refitted to a high standard.

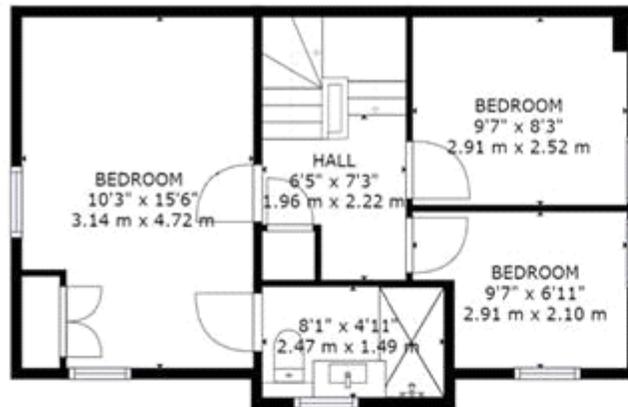

Outside, the property has kerb appeal in abundance and has a hard landscaped frontage enclosed by wrought iron railings.

There is access to the carport to the side of the property, which has an electric roller shutter door, storage available above and power/light, and there is an additional uncovered space to the rear of the carport.

The rear garden is enclosed by timber fencing and a brick wall mainly laid to lawn with a covered paved terrace close to the house.
